

OLIVE OIL & VINEGAR

The Sciabica (Sha-bee-ka) Family has been cold-pressing olive oils in California since 1936, making them the oldest olive oil producer in the US! Their olive oils and vinegars have no artificial flavorings, colors, or additives, are 100% GMO-free, sustainably farmed, and artisan-crafted in small batches!

OLIVES

Musco Family Olive Co. is a privately held family business. Nicolo, the founder, brought his expertise from the olive groves of Italy to California to create a rich tradition which has been preserved over many generations of active family involvement. Musco has become the leading supplier of table olives in America.

MUSCO GREEN PITTED OLIVES (#15007)

PACK SIZE: 4-1 GALLON

Musco's Green Pitted Olives are hand-harvested to ensure the best quality. The olives are then sent through a pasteurization process that produces an olive that is lower in salt, and has the best taste and color compared to any other green olive in the market!

MILK

Trickling Springs Creamery was founded in 2001 by two friends whose aim was to produce fresh, exceptional-tasting dairy products while promoting local farmers. They created strict guidelines for their farm partners, requiring to maintain grass-fed, heritage breed cows, produce very clean milk, and use no synthetic hormones. Currently, they are partnered with 32 family farms across Pennsylvania.

Wholesome

MINDFULLY DELICIOUS™

ORGANIC AGAVE NECTAR

ORGANIC BLUE AGAVE NECTAR (#60136)

PACK SIZE: 2-1 GALLON

Wholesome Sweeteners are produced exclusively from organically grown and processed Blue Agave. The sweet juice is pressed from the plant's piña (or core), then collected, heated, cleaned, and bottled. A natural time and temperature process transforms the agave nectar into organic, unrefined syrup with a high level of natural fructose. Compared to table sugar, organic blue agave is slowly absorbed into the body preventing spikes in blood sugar. Wholesome Sweeteners are Fair Trade Certified which guarantees the consumer a fair price has been paid directly to the jimadors (agave farmers) who produced this product.
