## GOOD BUYS

### APPLES

Fuji, Gala, Gold Delicious, Granny Smith, and Jonathan Apples are available from Crown Orchards; as well as our Fruit of the Month - Pink Lady Apples. Gorgeous apple varieties from the Pacific Northwest are in stock.

### PEARS

This season has brought the most colorful, tasty, and perfectly shaped pears we've ever seen! Try bright yellow Bartletts, crimson red Bartletts, golden brown Boscs, small seckels, freckled forelles, and little comice pears.

### GRAPES

Scarlet Royal and Allison varieties are harvested from California now. Most harvesters will finish in the next 10 days, but there are plenty available as this was one of the largest crops on record.

### BRUSSEL SPROUTS

Plentiful supplies and great quality coming in from California.

## MARKETNOTES

PRODUCE MARKET REPORT  
NOVEMBER 12, 2018

### AVOCADOS

#### PRODUCT ALERT

There is no resolution in sight for Mexican growers. There has been no harvesting for the past 10 days. Once harvesting begins, it will take up to two weeks to have ripe fruit and available shipments. Thank you for your cooperation and patience as we work through this situation.

### ARTICHOKES

This is one of the rare times we are able to feature delicate, tasty artichokes as a good buy. Optimal growing conditions have yielded an abundant supply this autumn.

### ASPARAGUS

Now is the time to feature succulent, sweet asparagus while volumes are high and before the higher price trend leading up to Thanksgiving demand.

### BUTTERNUT, ACORN, AND SPAGHETTI SQUASH

Remember to add hard squashes to your order. Hess Farms in PA is still sending loads of fresh squash varieties to round out your fall menu.
