Dear Keany Customers

FDA has announced a voluntary recall by Freshhouse II on August 9, 2020. Keany Produce & Gourmet is not affected by this recall as they are not current supplier. We will continue to monitor the situation for any changes.

Freshhouse II, LLC of Salisbury, NC is recalling Valencia Oranges, Lemons, Limes, Organic Limes, and Red B Potatoes with production lots, weight and brand listed in the FDA website link below, because of the potential to be contaminated with *Listeria monocytogenes*

Please refer to the FDA link below for additional details
