PRODUCE & GOURMET

## GOOD BUYS

### AVOCADOS

Great volume continues out of Mexico with excellent quality on all sizes.

### APPLES

Local and Northwest crop are in full swing - gala, honeycrisp, red + gold delicious, and more! We have specialty apples in now - Hidden Rose, Green Dragon, Envy, and Lady Alice.

### ONIONS

Great quality on new crop red and Spanish onions with great sizing.

### PEARS

Bartlett, Bosc, Seckle, Forelle, and red pears available from the West. Asian pears are still readily available.

### GRAPES

Excellent quality on all California grapes. Greens will wind down soon.

### GREENS

Quality and supplies remain good on kale, collard, and mustard from Richardson Farms.

## MARKETNOTES

PRODUCE MARKET REPORT  
NOVEMBER 16, 2020

THANKSGIVING  
ITEMS ARE  
READILY AVAILABLE

Thanksgiving will be here before we know it. Are you offering full carry-out? Our pre-cut team can help with the prep with cubed butternut, mirepoix mix, snapped beans, and more. Plus don't forget the cranberry sauce...fresh cranberries from Michigan in stock!

### HARD SQUASH

Fall hard squash is in great supplies from our local growers - butternut, delicata, honeynut, and more!

### CARROTS

Market is steady out of Canada.

### CRANBERRIES

Perfect your Thanksgiving sauce with our fresh cranberries from Michigan.

### POMEGRANATES &

### PERSIMMONS

Excellent fall treats to add to your menu!

## PEAK SEASON

### ASPARAGUS

Market remains steady as we approach the holiday.

### PEPPERS

Red + yellow are in plentiful supplies. Green peppers are up due to the tropical storm last week.

### BERRIES

Blueberries and raspberries with good volume and beautiful quality. Weather issues in Mexico are causing tight supplies on blackberries. Strawberries are prorated again due to California rain.

### LEAFY ITEMS

Baby spinach, arugula, and spring mix are all in good supplies. Good sub for romaine!

### CITRUS

Beautiful lemons in all sizes; limes are in transition in Mexico. Florida with ruby-red grapefruit and Hamlin juicing oranges. Blood oranges and clementines available. More availability on oranges with the new Navel crop.

### WET VEG

Both flat and curly parsley are slightly active; leeks, green onions, and cilantro are steady.

### BRUSSELS SPROUTS

Market is up a little due to holiday demand.

### POTATOES

Idaho Narkottas and GPOD Burbanks are in great supplies, but up slightly due to high freight rates. Red A+B potatoes are excellent. Steady market on all sweet potatoes.

### CORN

Good quality and supplies continue from GA.

### MELONS

Market on honeydew and cantaloupe is slightly active due to transition. Watermelons are way up because of freight rates from Mexico.

## LOCAL CORNER

### VIRGINIA

Apples | Parker Farms

### MARYLAND

Kale, Collard + Mustard Greens | Richardson Farms

### PENNSYLVANIA

Apples, Squash, Pumpkins + Fall Items | Hess Farms

Cauliflower, Squash + Romanesco | Sunny Harvest

### NORTH CAROLINA

Sweet Potatoes | Wood Packing House

## ALERT

### LETTUCE

Romaine hearts, romaine, and iceberg are all very active as the growing region transitions. Green leaf fillets are also tight.

### TOMATOES

Tropical Storm Eta has caused tight markets across all tomatoes. Excessive rain is preventing harvest and tight supplies.

### CELERY

Thanksgiving demand has spiked up the market, but quality remains excellent.

### CAULIFLOWER & BROCCOLI

Cooler weather is affecting both commodities. Florets are now pro-rated.

### BUSHEL BEANS

Active market due to heavy rain and wind.
