FRESH KUT FRUITS & VEGGIES

SPECIALTY

WHATEVER YOUR REQUEST, KEANY MAKES THE CUT.

Operating nearly 24 hours/day in three shifts, teams of Keany artisans prepare fruits and vegetables in pre-cut designs according to specific customer requests. No other distributor in the region offers as many trim configurations on so many varieties of produce.

The operation performs regular and classic type cuts, as well as custom creations and designs. Keany Kuts saves chefs much time and labor, allowing kitchen staffs to focus on recipe creation rather than time-intensive cutting board work.
